## **69 PLANNING APPLICATIONS AND DECISION NOTICES**

Members are reminded that applications can be received after the deadline for the publication of the agenda. The clerk will forward any further applications to you before the meeting for your consideration.

**Reference WL/2025/00925:** Application for prior notification to erect an agricultural building for machinery, hay and animal feed storage. Land off Bigby Hill, Bigby  
**REFUSED**

**70 TO CONSIDER A REQUEST FROM MS. HEATHER SUGDEN, OWNER OF THE SHEEP FIELD, FOR COMMUNITY SUPPORT TO ESTABLISH AN ORCHARD ON THE SITE.**

**The following request was received from Ms. Sugden**

‘As you may know Lincolnshire County Council Trees & Woodland Creation are in full support of stock control and the linking of wildlife habitats.

With this in mind they are also in favour of providing fruit trees for the formation of an Orchard on the land there. This is however dependent in some way on the interest and support of the local community?

Whilst it would seem unlikely that anyone in the Parish of Somerby would be in favour of 'any' proposal, I wonder if there are any groups locally that would be interested in fruit picking or jam making.

As there is no longer a primary school in Bigby we would be happy to involve any children's groups, mum's, dad's on the basis of gardening for mental health. Perhaps we could approach Grasby Primary School?

If you have any ideas or know of anyone that may be interested to get on board, could you please let me know.’

**The Clerk advised** that she had sent an initial response to Ms. Sugden, stating that there is already an Orchard to the rear of the Village Hall, which was established 6 years ago. The trees have born a sizeable amount of fruit for the first time this year. However, judging by the timescales involved, it may be hard to make a commitment from local residents for the types of activities she suggested.

**It was resolved that** Ms. Sugden be thanked for her suggestion. However, as the Clerk intimated in her initial response, the Parish Council believes that it will take a long time for the orchard to bear fruit and to be able to be used for the activities suggested. Therefore, at this point, the Parish Council cannot make a commitment on behalf of the residents. Furthermore, the Parish Council would like to see the existing orchard utilised more by residents.

Proposed: Cllr. B. Orr

Seconded: Cllr. C. Gandy

**71 TO RECEIVE A REPORT FROM COUNCILLOR BEAN ON COUNTY COUNCIL MATTERS**

**Cllr. Bean advised that:-**

- Despite his best efforts, he was unable to get Main Street added to the gritting route this year. He will keep pursuing this for future years
- Smithy Lane is due for resurfacing in March 2026 - concerns were again raised by councillors about the underlying problems that are causing the break up of the road. Cllr. W. Pinney advised that he believes that there are land drains flowing under Smithy Lane, but they are difficult to locate due to the houses that have been built over the years. (Old maps do provide some clues as to the locations.) Cllr. Bean said he will try to investigate this further.
- The gullies were cleared in the village and down Smithy Lane on 14 October.
- The establishment of a sand quarry in Caistor has been approved.

**72 TO RECEIVE A REPORT FROM COUNCILLOR MORRIS ON DISTRICT COUNCIL MATTERS**

**Having proffered his apologies, Cllr. Morris advised that:-**

‘The only thing of note that I have to report is that WLDC have decided that they will not take a position on Local Government Reform and will not join with any other councils and make a preference to which group to join - quite simply all the other bigger players would not provide us with information for us to make a balanced decision. We will await the Government views in the New Year.’

Cllr. J. Bean advised that WLDC will be introducing a waste food recycling scheme in March, 2026. Residents will be provided with a small work top bin in addition to a kerb side bin for collection by the refuse collectors. The frequency and date of collections is to be confirmed. (The kerb side bin is not as big as the other bins, so residents can be assured that the storage of them should not be an issue.)

**73 PRECEPT REQUIREMENTS – FISCAL YEAR 2026/2027**

(The Clerk will provide figures for discussion at the meeting)

- a) To Consider the Budget Proposals prepared by the Clerk.**
- b) To Determine the Precept to be levied for the Fiscal Year 2026/2027.**

**It was resolved that** a precept of £7500 be set.

Proposed: H. Aukland

Seconded: Cllr. D. Cowling

**The Clerk advised that** the final figure does not need to be submitted until 23<sup>rd</sup> January 2026. Therefore, she suggested that the figure above be sent as the estimate due by 21<sup>st</sup> November, allowing for any changes that may be necessary between now and the final deadline.

The meeting closed at 7.30 pm
