LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority for the next quarter is:

Rural Crime/Poaching

If you think there is an issue we should be focusing on or have information that might help our current priority, please get in touch at one of our public engagement events or contact us by email or social media.

WHAT'S BEEN HAPPENING

Speeding – B1205 Caistor Road South Kelsey

A weekly average of 701 vehicles travelled through the monitored area – fairly even traffic in both directions.

Average speed was 31mph

There was evidence of increased speed and arrangements have been made to replace faded signs in addition to Police monitoring and Community Speed Watch in place.

Anti-social behaviour

Reported in Caistor with youths dropping litter – this has been addressed and we hope to see a reduction in this happening

An Officer has been at Caistor Co-op to answer questions and the police surgery has been well received. – this will continue when restrictions are lifted.
